

## COMMITMENT FOLLOW-UP

A quick response after the Commitment Card is received is an affirmation of each person's gifts and an appreciation of their willingness to participate in the Stewardship of Service parish effort. Your choice of note or letter can be personalized to meet the needs of your parish. A pre-printed letter or note is most effective when accompanied with a personal salutation and signature of the pastor or parish director. This is also the time when a personalized message can be added to those in the parish who are upset, hurting, or confused about the Stewardship of Service renewal process.

*Thank You  
what Shall Return to  
the Lord?*

I thank you for the commitment you have made during our parish's Stewardship of Service renewal effort. Through your gift of service, you are responding to God's generosity by sharing what you have with your family, neighbors, and community.. Thank you for your conscious decision to join others in our parish community to go about the very important work of building God's Kingdom.

Sincerely yours in Christ,
