Dear Tom:

I am enclosing a few of our recent bulletins with a stewardship idea. Each week for about the past year, we have included a section in our bulletin entitled "We Are Grateful." Without using names, each week we describe one person or group of persons' ministry of service to our parish, often in ways that not many others know about. We never seem to run out of examples!

Gratefully,

Fr. Tom Long

We are Grateful

WE ARE GRATEFUL for the Christian Mothers & Ladies Sodality and the women and men of our parish who help to prepare and serve our funeral lunches. This is a very important ministry to families at a difficult time. We are grateful for the generous service the funeral workers give.

We are Grateful

WE ARE GRATEFUL for two parish members who come in on Friday mornings to be the receptionist at church. We appreciate their willingness to be of service and to welcome those who call or stop in.
